

Western Health and Social Care Trust

8th May 2007

Statement issued in response to media enquiry from Spokesperson at Western Health and Social Care Trust:

“At the monthly meeting of the Western Health and Social Care Trust the board discussed the financial plans for 2007-2008. Director of Finance Lesley Mitchell advised the Board of a further financial difficulty in last year’s expenditure with the former Sperrin Lakeland Trust. The Department of Health has been advised by the Trust and a meeting is planned to examine the situation and agree a resolution.”
