Personal and Public Involvement Opportunities for Involvement

The Western HSC Trust is currently seeking people who have experience of the services it provides and an interest in improving those services to become members of its PPI Forum or to join one of the already established service user groups that exist within the Western Trust.

We particularly welcome applications from the following:

- People with experience of using hospital services on a regular basis;
- A carer of a person who is physically disabled or elderly;
- Service Users or Carers of Children and Young People Services;
- People from Black, Minority and Ethnic communities;
- People from the Lesbian, Gay, Bi-sexual and Transgender communities.

The PPI Forum is a group of service users, carers and other stakeholders who work with the Trust to develop mechanisms and resources to support Trust staff to effectively involve the people who use the services they provide in planning, development, changes and/or evaluation to ensure that those services are accessible to and meet the needs of those who need them. The Forum meets on a quarterly basis and Members are entitled to claim out of pocket expenses and Induction Training will also be provided.

If you would like to become a PPI Forum member or find out more about other opportunities for involvement please contact:
