What we do:

- Effectively work in partnership with young people, their parents or carers, teaching staff and other agencies, towards the achievement of agreed goals.
- By offering support and advice
- Attending LAC reviews and help put a young person's views across
- By helping a young person complete individual work to increase their understanding of what has happened in their lives

How we do it:**we work -**

- in partnership with parents/carers to provide a high quality of care and support to children who are being accommodated
- to provide a positive experience of care that is sensitive to individual needs
- to keep Children / young people informed about what is happening to them and will be consulted before decisions are taken which will affect their lives
- with parents to involve them in the care of their children and participation when decisions are taken about their future
- to promote a child's/young persons growth, maturation, self-esteem and the development of age appropriate skills and behaviour
- to provide services for children and their families in partnership
